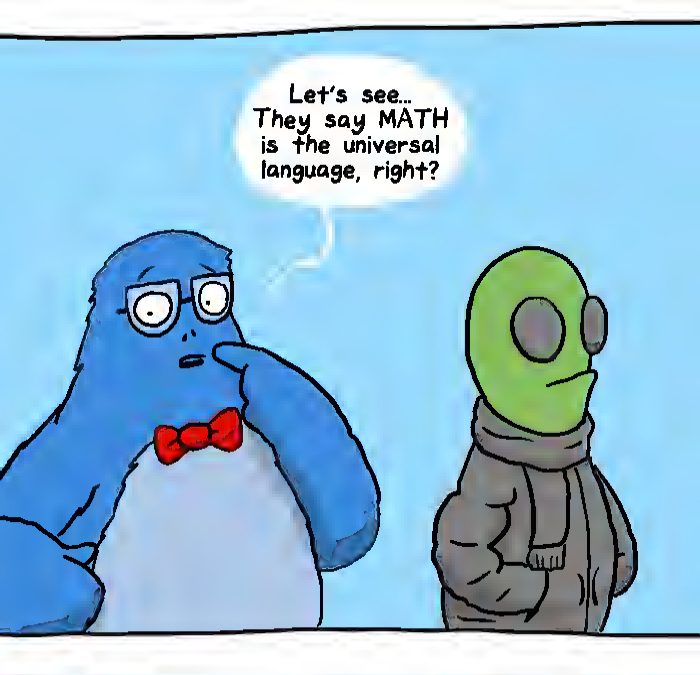
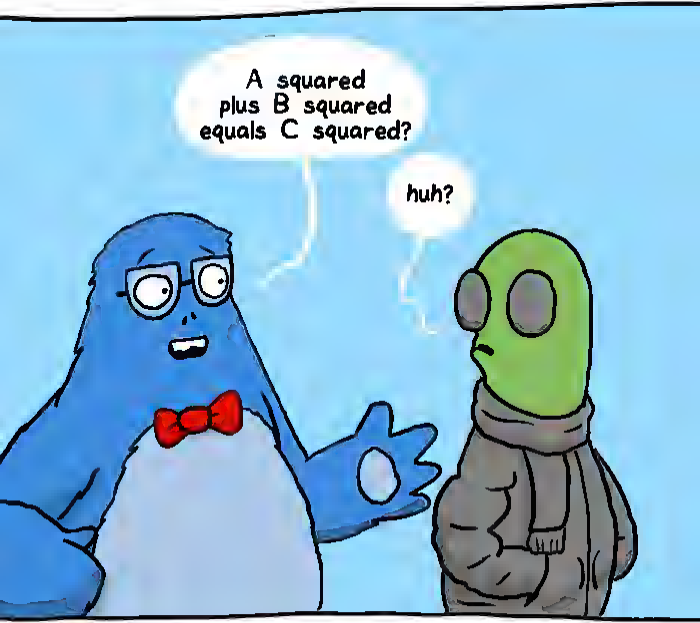
Lars

Whoa, a real ALIEN!
This is a big moment!

Okay, Lars, time for FIRST CONTACT. You're about to make history.

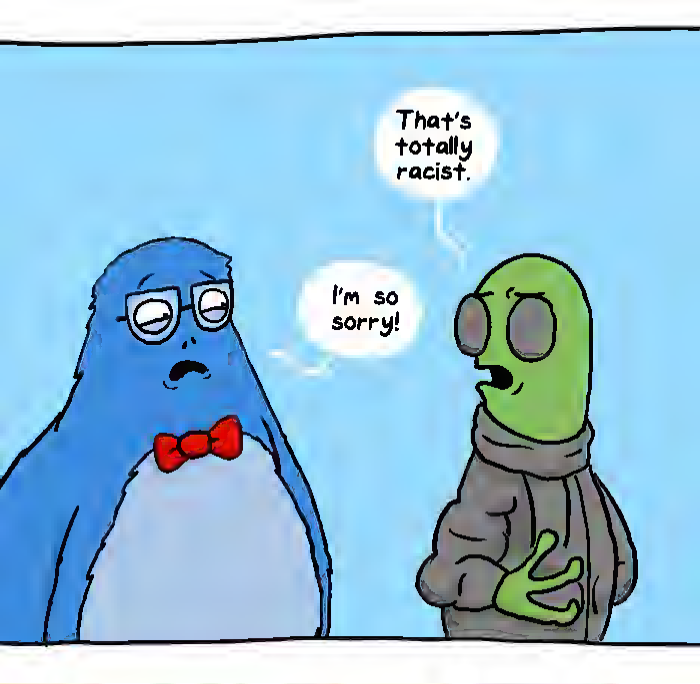


Let's see...
They say MATH is the universal language, right?

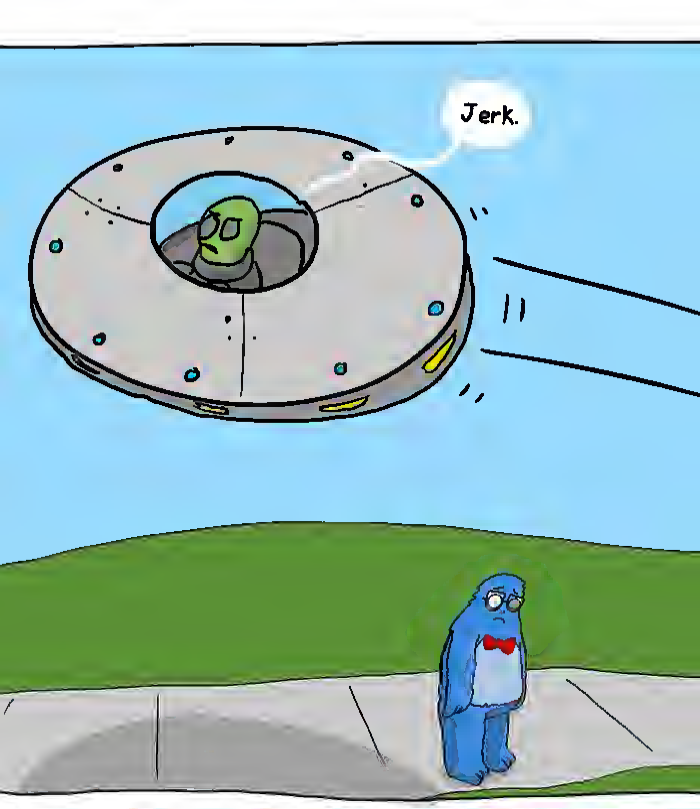


A squared plus B squared equals C squared?
huh?

What is this, man? You assume because I'm from a distant planet I speak MATH?!



That's totally racist.
I'm so sorry!



Jerk.
